

## Respireo Nina Nasal CPAP Mask Sizing Guide

### Instructions:

1. Print this page without any page scaling. Use a ruler against the scale at the bottom of the grey box to check it has printed at the correct size.
2. Cut out the grey box and the three triangles along the dashed lines.
3. Choose the smallest size that your nose fits through without touching the sides. If in doubt - choose the bigger size of the two.
4. Order your Nina mask from [intushealthcare.com](https://www.intushealthcare.com)
